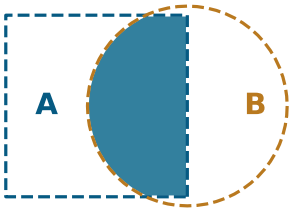
Clip

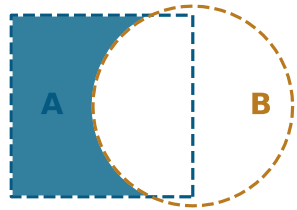


attributes: A_name, A_ha

Intersect

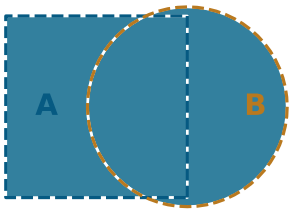
attributes: A_name, A_ha, B_zone, B_gap

Erase



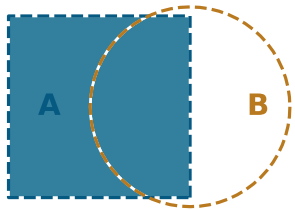
attributes: A_name, A_ha

Union



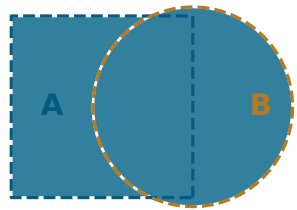
attributes: A_name, A_ha, B_zone, B_gap

Identity



attributes: A_name, A_ha, B_zone, B_gap

Update



attributes: A_name, A_ha, B_zone, B_gap

A = blue dashed square, a forest stand (A_name, A_ha) · B = amber dashed circle, a reserve (B_zone, B_gap) · teal = the result of the operation

Clip and Intersect draw the same shape but carry different attributes: Clip keeps A's only, Intersect carries A's and B's.
