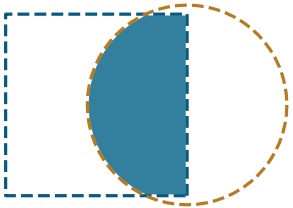
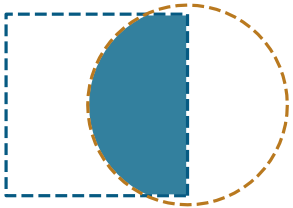
Clip



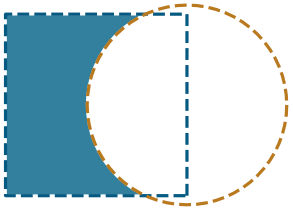
attributes: A_name, A_ha

Intersect



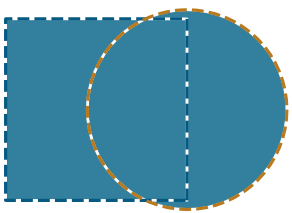
attributes: A_name, A_ha, B_zone, B_gap

Erase



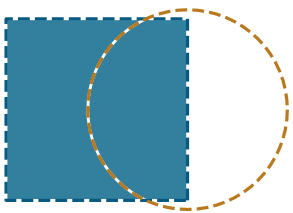
attributes: A_name, A_ha

Union



attributes: A_name, A_ha, B_zone, B_gap

Identity



attributes: A_name, A_ha, B_zone, B_gap

Symmetric difference

attributes: A_name, A_ha, B_zone, B_gap

Dashed blue = input A · dashed amber = overlay B · teal = result. Clip and Intersect draw the same shape but carry different attributes: Clip keeps A's only, Intersect carries A's and B's.
